Kingston					

Tay Canal		Approx time		Number of locks	
<b>Beveridges Locks</b>	<b>2hr</b>	<b>2hr</b>	2	2	
Perth					

Times are an approximation only based on an average speed of 8km/h and 30 minutes to pass through a lock chamber. Your speed (the boats are limited to 10km/h), the flow of the river and the time it takes to go through locks will all affect your progress.

**10** Maximum speed allowed on waterways in km/h

**↑ ↓** Pass oncoming boats on the right hand side, larger boats have priority
